

Repository for Published YIM Project Materials

License and Terms of Use

This repository uses a multi-license model to ensure maximum reproducibility and open-science compliance:

- **Research Papers & Written Content:** All academic papers, markdown files, PDFs, and diagrams are licensed under the [Creative Commons Attribution 4.0 International \(CC-BY 4.0\)](#) license.
- **Data & Audit Trails:** All verification reports, SHA256 hashes, and data files (including those hosted on Zenodo) are dedicated to the public domain under [CC0 1.0 Universal](#). Note: Certain audit trails are hosted on Zenodo under "Restricted Access" and are available upon request.
- **Source Code:** Any scripts, automation tools, or code snippets included in this repository are licensed under the [MIT License](#).
- dgdgfdgdgdgdfg

When citing these works, please attribute the **YIM Project Research Initiative** and link to this repository or the respective Zenodo DOI.

How to Cite

If you use the data, frameworks, or code in this repository, please cite the Zenodo archive to ensure persistent linking:

Taylor, Ernesto A. - YIM Project Independent Research. (2026). *[Name of the specific work] [Data set and Code archive]*. Zenodo. <https://doi.org/10.5281/zenodo.XXXXXXX>
